We want to support you as you have supported us! IPELRA truly appreciates the support of our sponsors; we are always looking for ways to increase networking opportunities for sponsors. This year's opportunities for our Silver Sponsors include:

- Be included on marketing material for the specific training session sponsored.
- Be noted on social media for your sponsored seminar's promotion.
- Have the opportunity for table/display space at your sponsored stand-alone training event. Note: these stand-alone training events are limited and not part of the Annual Training Conference.
- Have the opportunity to provide a 2-minute presentation on your company's services followed by the introduction of the presenter at opening of your sponsored training event.
- Recognition and your contact information will be placed on the IPELRA website for sponsorship year (300+ members) and the Company will receive a special mention and thanks in the issue of our newsletter reporting on the Annual Training Conference.
- Be included in sponsor recognition resolution presented at Annual Business Meeting.
- All Sponsors receive recognition in our printed Annual Training Conference brochure.
Please email a high resolution electronic version of your Company's logo by July 01, 2022 so that we may display it in our Annual Conference brochure, which will be printed in early July. We will also use the logo for your sponsored event, on our Website.
